

## **Maintenance and Replacement of play Equipment Policy**

### **Facilitating play**

We support and facilitate play by:

- Providing an environment which is safe and suitable for playing in.
- Setting up the Club so that activities are ready before the children arrive.
- Providing a range of equipment, resources and activities on a daily basis, and keeping a record of these to ensure that varied play opportunities are offered
- Encouraging children to request additional or alternative equipment as they choose, and if a request has to be refused, explaining why.
- Not expecting children to be occupied at all times.
- Making outdoor play available every day, unless the weather is particularly bad.
- Involving children in planning activities, to reflect their own interests and ideas.
- Planning activities that enable children to develop their natural curiosity and imagination.
- Allowing children freedom of creative expression, particularly in artistic or creative play.
- Intervening in play only when necessary: to reduce risks of accident or injury, or to encourage appropriate social skills.
- Warning children in advance when an activity or game is due to end.

### **Play areas and equipment**

- All indoor and outdoor play areas are checked and risk assessed daily before the children arrive in accordance with our Risk Assessment policy. This is not written down.
- The Club keeps an inventory of resources and equipment, which is updated regularly and reviewed to identify where any additional resources are required.
- Children are involved in selecting additional equipment and resources for use at the Club.
- The resources used at the Club promote positive images of different ethnic backgrounds, religions, and abilities, in line with our Equal Opportunities policy.
- The Club has a selection of fiction and non-fiction books, suitable for all age ranges.
