

No Smoking Policy

The club recognises the health hazards of smoking for smokers and non-smokers and acknowledges the rights of staff, children and parent/carers to work or play in a smoke free environment. Consequently it has adopted a “No Smoking Policy”.

The club has a “No Smoking Policy” which means that smoking is not allowed anywhere inside any buildings or on the premises. This applies to staff, volunteers, students, visitors, parents and carers.

The objective of the No smoking Policy is establish a healthy environment for all staff, volunteer, students, visitors, parents and carers; its success depends upon the consideration and cooperation of both smokers and non-smokers. All staff, students, visitors, parents and carers are expected to respect the statement.

Violations of the no smoking policy should be reported top senior management who shall forward them to the management committee. Implementation Appropriate signs are posted at all entrances and throughout the building.

Copy of the policy is visibly placed and made available to all staff, volunteers, students, visitors, parents and carers.

Positive signposting is available for staff, volunteers, students, visitors, parents and carers who wish to stop smoking. For information or clarification regarding this policy please contact the manager or the manager of the committee.

Day to day responsibility for implementing the policy will be that of staff; in cases where the subject of smoking creates problems or difficulties amongst employees, the management committee should be consulted.
