

Transport for Service Users – Provision and Use

“Little eco steps” out of school club has appropriate insurance cover and all drivers have an up to date Driving Licence, Vehicle Road Tax Certificate and MOT certificate if required.

Child safety seats or appropriate booster seats are correctly installed and all children wear suitable safety belts or harnesses.

All vehicles including taxis and contracted vehicles used to transport children to and from the setting, are suitable for the purpose and meet all current road traffic legislation.

A risk assessment is carried out to ascertain the ratio of staff or volunteers required when taking children on outings.
